

***101- The Shocker (Al-Qaare'ah)***  
***In the name of God, Most Gracious, Most Merciful***

[101:1] The Shocker.

[101:2] What a shocker!

[101:3] Do you have any idea what the Shocker is?

[101:4] That is the day when the people come out like swarms of butterflies.

[101:5] The mountains will be like fluffy wool.

[101:6] As for him whose weights are heavy.

[101:7] He will lead a happy (eternal) life.

[101:8] As for him whose weights are light.

[101:9] His destiny is lowly.

[101:10] Do you know what it is?

[101:11] The blazing Hellfire.
