

**102- Hoarding (Al-Takaathur)**  
*In the name of God, Most Gracious, Most Merciful*

[102:1] You remain preoccupied with hoarding.

[102:2] Until you go to the graves.

[102:3] Indeed, you will find out.

[102:4] Most assuredly, you will find out.

[102:5] If only you could find out for certain.

[102:6] You would envision Hell.

[102:7] Then you would see it with the eye of certainty.

[102:8] Then you will be questioned, on that day, about the blessings you had enjoyed.
