

106- Quraish (Quraish)
In the name of God, Most Gracious, Most Merciful

[106:1] This should be cherished by Quraish.

[106:2] The way they cherish the caravans of the winter and the summer.

[106:3] They shall worship the Lord of this shrine.

[106:4] For He is the One who fed them after hunger, and provided them with security after fear.
